Other Information

Using Your Service Overseas

You cannot use your included Voice call minutes, SMS/MMS allowance and mobile data allowance if you are overseas. If you want to use your Exetel mobile phone plan when overseas you'll need to activate roaming if its not already on. You can check your roaming settings and turn it on/off in the My Exetel user facilities.

You will be charged at our roaming rates which are significantly higher than your normal mobile voice calls, message sent & recieved and data usage (note, roaming is only available for certain countries). To avoid surprises, see <http://www.exetel.com.au/mobilephone/plans-roaming> for information on roaming call, message and data rates or call our Sales Team if you are unsure.

Exetel Members Facilities

You will be provided with a secure Members portal where you will be able to view your daily data, SMS/MMS and call usage for your Exetel service. You will also be able to track all your Exetel invoices, make changes to your existing service and buy new services from this portal. Exetel Member Login Page:
