exetel™ Get things done.

Slash your telephone costs with VoIP and a Cloud PABX

Call us now on 1300 393 835

Talk to Exetel about a total Cloud-based solution that eliminates the cost of buying a new system, slashes your call costs and improves your phone functionality.

Low Set Up Cost. Better Functionality.

An Exetel Cloud PABX system offers the very latest in phone functionality for a low $250 set up cost. With calls to mobiles as low as 12c/min and very attractive monthly rates, switching to a cloud based PABX means you can dramatically reduce your spend on telecommunications.

4 Call Plans. Cheaper Calls.
